I am excited to announce a new resource for our members! The Kappan Guided Discussion Questions, dive deeper into each month’s issue of *Kappan*, including November’s topic, “Education in a Stressed-out Nation.” Each month, we’ll be releasing thought-provoking questions around the issue’s topic, along with conversational protocols and recommended readings from *Kappan* magazine for you to use with your chapter or network. Access through the Member Resources page in your online membership portal!

On November 1st I participated in the Grantmakers for Education webinar. The full webinar can be found here: https://www.youtube.com/watch?v=QdjPINpx4Ow. View to learn about implications of the [PDK Poll](https://www.youtube.com/watch?v=QdjPINpx4Ow) for Grantmakers.

**Ladder to Opportunity Scholarship Fund**

PDK International has always believed that education is essential for a just and equitable society. The Deferred Action for Childhood Arrivals (DACA) has now reached the Supreme Court and the fate of more than 700,000 Americans hangs in the balance.
Connect and how to enroll through the PDK Member Insurance Program.
